Fall 2019

We want to thank all the families that joined us this year for our annual Family Fun Day on Tuesday August 13. It was a great way to finish off the summer. We want to thank all the local organizations that helped out with donations.

Wegmans in Northborough, Stop and Shop in Westborough, and Walmart in Hudson. We had a good turnout despite the forecast calling for showers. It was a little damp at the start but by the end it was sunny and beautiful.

We want to thank the Northborough Fire Department for coming to our event and letting us explore and climb on the truck. The giant bucket truck was truly amazing to see. It was a highlight of the day.

We love this event as it allows us to visit with current and past families as well as allows other parents and children to connect and visit together. We look forward to seeing you all at next years' party. Please see the last page for more pictures.
