

## Disability Access Statement

Thom Child and Family Services is dedicated to providing consistent, high-quality, strength-based and family-centered early intervention services to all eligible children and families. We are committed to providing reasonable accommodation where requested to ensure equal opportunity/access to services by all clients. Thom Child and Family Services strives to make services as accessible as possible and our facilities are accessible to and useable by persons with disability, including persons who are deaf, hard of hearing, or blind, or who have other sensory or physical impairments. Thom program locations are listed below and are accessible and in compliance with the Americans with Disabilities Act (ADA).
